EDUCATION

Coorg Institute of Technology

B.E in Artificial Intelligence and Data
Science (2022-2026)

Jawahar Navodaya Vidyalaya, Kodagu
High school and pu (2016-2022)

SKILLS

- C
- Python
- Java
- Excel
- SQL
- Power BI
- TableauBI

SUMMARY

Enthusiastic AI and Data Science student with foundational knowledge in machine learning, data analysis, and programming. Proficient in Python, SQL, and data visualization tools, eager to apply skills to real-world challenges and contribute to innovative projects.

CERTIFICATION

Workshop

- "DEEPFAKE TECHNOLOGY:The Cyber Security Implications and Defenses"(May, 2024)

Achievements

- "Python for Data Science" Elite+Silver-NPTEL
- Secured second place in Innofest(Mini Project)
"Real Time Traffic Sign Recognition Using
Machine Learning Approach"

Certification

- Demystifying Genrative AI for leaders
- Introduction to Java
- Introduction to Data Science
- Learning Microsoft Power BI
- Programming Fundamentals using Python -Part 1
- Basics of Python
- Artificial Fundamentals
